

Prayer pointers

- For the success of the Dudley House School marketing drive, that there will be positive responses to the Open Day advertising and that God will bless the Open Day itself and increase the enrolment at the school.
- For thanks to God that Ian Clutton is now feeling well enough to try coming back to work at the Stanborough Press.
- For the family of Tahnine Martin, a 29-year-old lady from Stafford who worked at the University of Wolverhampton, who was tragically killed in Storm Doris last week. We struggle to understand, but we pray God will comfort her loved ones and give them the hope of seeing her again in His Kingdom.
- For God to grant the French voting public wisdom and openness to the prompting of the Holy Spirit as they get closer to choosing their country's next president.
